

ACTIVIST

TOOLKIT

You can make a difference.
Here's how.

POPULATION
CONNECTION
ACTION FUND

We educate activists about the impacts of population growth and the benefits of real investment in reproductive health and family planning.

We fight to ensure that every woman in the world has access to affordable and appropriate contraceptives, and the education to use them effectively.

We mobilize our grassroots supporters to advocate for progressive policies.

Become one of our engaged activists today and advocate for women's reproductive rights around the world.

Learn about current issues related to international family planning and reproductive justice.

Become an activist by honing your advocacy skills.

Lobby your representatives for a greater investment in international family planning.

Request our materials and talking points to share with your community at student club meetings, group forums, and local events.

Share our images and graphics and retweet us to help spread our message to your social media community. We regularly post the latest information on reproductive health and rights.

Make your voice heard by submitting an op-ed or a letter to the editor to local, state, and national newspapers. This will help raise awareness of reproductive rights and international family planning.

Invite us to speak to your classroom, student organization, or community group about reproductive health and population issues.

Your elected representatives want to hear from you! Call your _____ to set up a meeting to discuss the importance of international family planning.

Request a grassroots organizing, bird-dogging, or lobby training from Population Connection Action Fund. We can provide expert information on our best techniques.

Check out our _____ to see where your representatives stand on reproductive rights. Your voice is powerful, so help us _____ to ensure that our elected officials don't forget that family planning matters to their constituents.

WE WANT TO HEAR FROM YOU
