### Ban on Abortion Coverage in the Affordable Care Act (ACA)

*Roll Call 7, January 17, 2019*

In the midst of a government shutdown, Senate Majority Leader Mitch McConnell brought to the floor the misleadingly-named “No Taxpayer Funding for Abortion Act.” The bill would have codified the Hyde Amendment and barred anyone receiving subsidies for health care under the ACA from purchasing any plan that covered abortion services. The bill failed to gain the 60 votes needed to end debate and move to a final vote.

**Our Position:** Oppose

**Result:** **FAILED, 48-47** (5 didn't vote)

### Granger International Family Planning Amendment

*Roll Call 10, January 3, 2019*

After taking over the House of Representatives during a government shutdown, the new Democratic majority passed an appropriations bill that repealed the Global Gag Rule and required the United States to fund the United Nations Population Fund (UNFPA). House Republicans proposed an amendment to strip those provisions in order to keep Trump’s awful international family planning policies intact. The amendment failed, and the appropriations package passed in the subsequent floor vote (Roll Call 11).

**Our Position:** Oppose  
**Result:** **FAILED, 199-232** (1 didn’t vote)

### Cole Amendment Supporting Trump’s “Conscience” Rule

*Roll Call 266, June 12, 2019*

The Trump administration proposed a broad “conscience” rule to permit medical personnel to refuse to treat patients based on their religious or “moral” beliefs. As part of a 2019 spending bill, House Democrats included a provision to block funding to implement the “conscience” rule. Rep. Tom Cole (R-OK) offered an amendment to strike that provision, attempting to keep funding in place to implement the rule — his amendment, which failed, was the subject of this vote.

**Our Position:** Oppose  
**Result:** **FAILED, 192-230** (16 didn’t vote)

### Roby Amendment Supporting Trump’s Title X Domestic Gag Rule

*Roll Call 267, June 12, 2019*

Trump’s Title X Domestic Gag Rule cuts family planning funding for low-income patients. As part of a 2019 spending bill, House Democrats included a provision to block the rule. Rep. Martha Roby (R-AL) offered an amendment — scored here — to strike the Democrats’ provision and keep the Domestic Gag Rule in place. The rule ultimately went into effect on August 19, 2019.

**Our Position:** Oppose | **Result:** **FAILED, 191-231** (16 didn’t vote)

### Lesko International Family Planning Funding Amendment

*Roll Call 324, June 18, 2019*

During debate on a 2019 spending package, Rep. Debbie Lesko (R-AZ) offered an amendment to eliminate a provision requiring \$750 million in funding for international family planning.

**Our Position:** Oppose | **Result:** **FAILED, 188-225** (25 didn’t vote)

### Lowey Amendment Against Trump’s “Unalienable Rights” Commission

*Roll Call 332, June 18, 2019*

During debate on a 2019 spending package, House Democrats proposed a ban on funding for the Trump administration’s newly-created “Unalienable Rights Commission,” which is intended to promote a more conservative definition of human rights relating to family and sexuality.

**Our position:** Support | **Result:** **PASSED, 231-187** (20 didn’t vote)

POPULATION CONNECTION  
ACTION FUND

## Population Connection Action Fund works to stabilize global population by:

- Fighting to ensure that everyone in the world has access to affordable, effective, and appropriate contraceptives;
- Educating Americans about the consequences of population growth and the benefits of real investment in reproductive health and voluntary family planning;
- Mobilizing our grassroots supporters to advocate for progressive policies at the federal level; and
- Electing candidates who support the right of all people to control their own reproductive lives and defeating those who oppose it.

Population Connection Action Fund is the political arm of Population Connection, the nation's largest and oldest grassroots population organization. Our grassroots advocates are deeply invested in supporting family planning programs both domestically and globally — our goal is to turn that passion into real political progress.

### **JOIN US!**

Join the fight to elect candidates who understand that investment in family planning around the world improves the health and wellbeing of all. These programs are vital, but they are constantly under attack by anti-birth control politicians in the United States. Together, we can ensure universal, affordable access to birth control the world over.
